Dear Mary:

I would like to thank you and each one of the NAIW member for your generous donation of backpacks and school supplies. Your gifts are very important to our post shelter families - a group who too often gets overlooked.

The NAIW backpack and school supply donation supported all of the school-aged children currently receiving services through our Aftercare Program. With families transitioning into permanent housing, purchasing furniture / household supplies and getting children ready for a new school year, this task is often daunting for our families who cannot afford what the schools are requiring for their children as they are getting back on their feet.

On behalf of the children we serve, I thank you and each one of the NAIW members for your ongoing generosity and support. You all made a new school year a little easier for so many.

Kindly,

Jessica Fabian, LMSW  
Assistant Director, Aftercare
