Dear Veronica,

Dress for Success would like to thank the members of the National Association of Insurance Women for organizing a suit drive to benefit our organization. The clothes that your members so kindly donated help us to achieve our mission of promoting the economic independence of disadvantaged women by providing professional attire, a network of support and the career development tools to help women thrive in work and in life.

With your support we are able to send a woman on the road to economic independence by giving her the skills to advance her career and the clothes to look and feel the part. We really can't thank you enough for your contribution to our organization and feel honored to have the members of the NAIW as friends and supporters of Dress for Success.

It is the benevolence of groups like the NAIW that enables our organization to assist over 45,000 women every year, since 1997. Together we will continue to change the lives of women worldwide! A donation of just one suit, along with our career development and employment retention services, can empower a woman struggling in a low-income situation to start a new life of self-sufficiency and success. Please know that the members of the NAIW have made a difference and on behalf of our board of directors, staff and clients we thank you for your contribution.

Sincerely,

Joi Gordon
